

Scone Bake-off Instructions

Preheat oven to desired temperature.
-Convection Oven 300°F – high fan
-Radiant heat Oven 375°F

Line sheet pan with appropriate sized parchment paper.

Place scones (**blueberry or cinnamon side up**) in specified arrangement;
-½ tray: 6 scones
-Full tray: 12 scones

Place the tray in the oven and set timer.
Bake For;
-Convection Oven: 24 Minutes-high Fan
-Conventional Oven: 21 Minutes

Using an oven mitt or hot pad, remove the scones from the oven.
Allow scones to cool completely prior to removing from tray.
