

Welcome summertime with luscious fruit-based desserts from Sweet Street

More than just a treat, fruit is at its best when enjoyed at the peak of ripeness. The vibrant colors captivate you, the fresh aromas intoxicate, and the flavors burst with the full promise of their tanginess, tartness or sweetness.

Of course fruit is a seasonal food, which means capturing that peak of ripeness largely depends on the time of year the fruit is grown. Fortunately, summertime is perhaps the best season to enjoy a wide variety of flavorful fruits—from raspberries, to blueberries, to mangos.

With all this in mind, now is the perfect time to explore the many refreshing fruit-based desserts available from Sweet Street. Truth be told, these offerings are ideal at *any* time of year because they're made with fruits that are frozen at the peak of freshness. But what better time to celebrate and enjoy them than when the temperatures outside are hot and everyone is searching for a little cool refreshment.

Sweet Street's luscious [Lemon Manifesto™ Bar](#) is a great place to start. Its zesty lemon freshness makes your mouth come alive and quenches your thirst, while the buttery smoothness of its melt-in-your-mouth curd and subtle crunch of the shortbread crust further satiate the senses.

Passion Mango Cheesecake

Another refreshing favorite is our [Passion Mango Cheesecake](#). It features layers of creamy, smooth passion fruit- and mango-infused buttermilk cheesecake topped with tart passion fruit curd. All that zesty goodness is finished with a shimmering glaze of passion fruit and mango.

Searching for an unexpected raspberry treat? You'll find it in Sweet Street's Raspberry Sammies, made with ripe red raspberry jam in golden buttery shortbread. And don't forget the king of all summertime treats—our Summerberry Stack®. It features bright berries strewn across citrus-flecked cake aswirl with cool, tart key lime and creamy white chocolate cheese—all on a buttery crunch layered with vibrant raspberry.
