

Sandy's Amazing Chocolate Chunk Skillet Cookie Puck

We invite you to chocolate chip cookie perfection, in a form only imagined in childhood. Our all-butter cookie dough is mixed with intensely flavorful chunks and giant mouthwatering morsels of carefully chosen chocolates from countries such as Peru, where it is sustainably grown. Every scrumptious cookie is topped with coarse pretzel salt and an abundance of jaunty chocolate coins, chunks and squares made of bitter-sweet, semi-sweet and creamy milk chocolate. When freshly baked, hints of caramelized milk and perfectly browned butter are unleashed, showering your taste buds with amazement.
