# HOT SUMMER OF 1979

“It’s hard to imagine, it all started with a giant chocolate chip cookie back in that hot summer of 1979. Who would have thought then, that today Sweet Street would be baking for restaurants in over 70 countries, and on every continent...

I am dedicated to the principle that luscious and craveable have no bounds. And we all work tirelessly to re-imagine and delight. It seems fitting to celebrate 35+ fabulous years with the reinvention of our classic American cookies. Every batch of our hand crafted, Manifesto® cookies starts with our all-butter dough, free of additives and GMO’s, mixed with sustainable chocolates, cage-free eggs and then made just for you with lots of love.”
