

Topic: Partially Hydrogenated Oils

To Whom It May Concern:

The FDA mandated in 2015 that partially hydrogenated oils must be removed from all food products. This government mandate will be enforced by FDA beginning June 18, 2018.

As a valued Sweet Street customer, we understand your interest in our compliance with the FDA rulings. All Sweet Street Product facilities are in compliance with the FDA rule on partially hydrogenated oils that must be removed from all food products.

If you have any questions, or require additional information on this issue, please feel free to contact us.
